# AMERICAN CANCER SOCIETY BOSTON INVITATIONAL

*Benefiting the Hope Lodge Center and Patient Services in Massachusetts*

**Tuesday, September 27, 2016**

**The Country Club, Brookline, Massachusetts**

## The Country Club in Brookline, Massachusetts

The Country Club is one of the founding clubs of the United States Golf Association (USGA). Host of 16 USGA competitions, including six U.S. Amateurs and three U.S. Opens (1913, 1963, and 1988), The Country Club also hosted the 1999 Ryder Cup. Join us for this exclusive opportunity to play on the same course where over 100 years ago amateur Francis Ouimet won the 1913 U.S. Open, becoming a golf hero and causing interest in the sport to soar.

## The AstraZeneca Hope Lodge

The AstraZeneca Hope Lodge Center in Boston, a program of the American Cancer Society, provides a home away from home for patients undergoing outpatient cancer treatment. The facility features 40 private guest suites, along with common areas to encourage patients and caregivers to connect with each other to offer support. Since 2008, the AstraZeneca Hope Lodge Center in Boston has welcomed more than 2,600 patients from 48 states and 16 countries, saving them more than \$15.5 million in lodging costs – an average of \$6,000 per guest. Last year, we were proud to serve over 400 patients. Support of the Boston Invitational gives hope a home in Boston for many grateful guests and will ensure this valuable program will be here to serve many more. With your support we can continue to provide this much needed service to cancer patients and their families. Together, the Boston Invitational and the American Cancer Society are committed to saving lives and creating a world with less cancer and more birthdays, by helping people stay well and get well, by finding cures, and by fighting back.
