A Message from the Tournament Co-Chairs

The Pink Ribbon Golf Classic was founded 11 years ago by Georgia State Representative Judy Manning and the late Marietta Mayor Ansley Meaders. Friends and colleagues challenged them to create an all-ladies golf tournament, and they did!

As a breast cancer survivor, Ansley wanted the Pink Ribbon Classic to raise funds for the American Cancer Society, and specifically to help in the fight against breast cancer. By supporting the Pink Ribbon Classic, you are supporting cancer research, patient services, advocacy efforts, and education for cancer patients and survivors.

We appreciate your support of this tournament and thank you for joining us in the fight against breast cancer, and we thank you for helping us to raise more than \$70,000 this year for the American Cancer Society!

Sincerely,

Lee Freeman

Harveda Moon 2009 Honoree

Born and raised in Florida, Harveda moved to Marietta, Georgia over 30 years ago, where she met and married Virgil Moon. She has 3 children: a son, Adam who lives in Holly Springs, Georgia; a daughter, Angie, who is the mother of her two precious granddaughters, Riley, 7 and Reagan, 5; and another son, Jason, who lives in Boise, Idaho.

She has been employed with Cobb County for 10 years. Harveda is involved with the American Cancer Society's Relay For Life of Cobb County.

Being a 6 year survivor of breast cancer, Harveda recognizes that fundraising efforts such as Relay for Life and the Pink Ribbon Golf Classic are essential in getting us all to a cure for breast cancer along with ensuring that her future generations will not have to fight the battle.

Past Pink Ribbon Golf Classic Honorees
